

Product name:
Molecular Model Set Biochemistry 257 Atom Parts

Product code:
CIVIL-MOL-134-0005

Description

Molecular Model Set Biochemistry 257 Atom Parts

Technical specification

The range of models included in the designed to enhance teaching. These 'original' models have been used by thousands of students worldwide and are renowned for their ease of use. excellent quality models produced from precision engineered moulds and materials. Each kit comes in a durable storage case with compartments for segregation of parts. The joining pieces are carefully designed to ensure models are firmly constructed so they can be passed around during the lesson without fear of falling apart. Biochemistry 257 atom-parts.
