

Product name:
Thermostatic Water Bath

Product code:
CIVIL-WTR-142-0004

Description

Thermostatic Water Bath

Technical specification

Supply voltage: 220(240)V/50(60)Hz or 110V 50/60Hz

Heating system: 1200W with Smart Energy Saving control and Adjustable speed Stirrer.

Temperature Working range: up to 99.5 C

Temperature regulation: 0.1Deg.C

Capacity of tank: 8 L
