Product name:	Product code:
Conductivity /pH/TDS/Salinity/ Meter	NUGBLY0054

Description

Conductivity /pH/TDS/Salinity/ Meter

Technical specification

pH/Conductivity/TDS/Salinity and accessories

- Complies with ISO 9001, 2008 Certificate
- Combine measurement capabilities of three testers in one convenient pocket- sized unit
- Up to 5 point pH calibration with NIST or USA autobuffer recognition
- Conductivty, TDS, and salinity feature autoranging based on the concentration of your sample
- IP67 - rated housing floats if accidentally dropped in water
- pH 0.00 to 14.00
- Conductivity 0 to 20.0 mS
- TDS 0 to 10.0 ppt
- Salinity 0 to 10 ppt
