Product name:	Product code:
Homogenizers + Accessories	NUGBLY0078

Description

Homogenizers + Accessories

Technical specification

Complies with ISO 9001, 2008 Certificate Integral electronic speed control Electronic speed and temperature control
Quick released button for dispersing elements Supplied with a power pack
Partial reduction down to 1µm Set rotor speed
Volume range: 0,1 – 20.000 ml
Speed range: 10.000 – 39.000 rpm Speed adjustment: Yes
Protection system/safety class: IP 20 / II Overload protection: Thermal Sensor Safety switch: Yes
Smooth start: Yes
