

Product name:
Metal Gooseneck Stand

Product code:
CIVIL-DMC-165-0004

Description

Metal Gooseneck Stand

Technical specification

Max. frame rate: 30 fps

Illumination: 8 white power LEDs

Software: analysis software with measurement and annotation functions

Dimensions: (d) 34 x (l) 140 mm

Weight: 115 grams

Polarizer: Yes

Sensor type: CMOS

Size: 8.0 megapixel

product range of digital microscopes offer the best solution for a broad range of applications like industrial quality control, medical & life sciences, forensics, science & education, art restoration and many other fields.

Get connected through USB to your Windows or Mac computer to observe and analyse your captured or live images with our powerful user-friendly (free of charge) software for advanced image processing. The WiFi models can easily be connected to a computer or smartphone.
