Product name:	Product code:
Kjeldahl Digestion Unit with Digital Control	CMI-NP-0114

Description

A Kjeldahl digestion unit using an aluminium block with digital temperature control, supplied without glass tubes for flexible use with standard 250 ml digestion tubes.

Technical specification

Power supply	230 V AC, 50 Hz

Standard Accessories

- Tube rack

The block gives even heat to all tubes and is simple to set. It reduces digestion time and improves safety compared to open flame heating.
