Product name:	Product code:
Bench Top Mini Fume Hood	CMI-NP-0119

Description

A small bench top fume hood with fan and filter for dispensing and handling small amounts of chemicals in teaching and small laboratories.

Technical specification

Power supply	230 V AC, 50 Hz

Standard Accessories

- Carbon filter

The compact enclosure sits on a normal table and draws fumes through filter or to a duct. It gives local protection for light duty tasks.
