Product name:	Product code:
Orbital Shaker Incubator with Humidity Control	CMI-NP-0166

Description

An orbital shaker incubator with controlled humidity and temperature for cell cultures and microbial growth that need stable humid conditions.

Technical specification

Power supply	230 V AC, 50 Hz

Standard Accessories

- Flask clamps
- Water tank

A humidifier keeps humidity steady inside the chamber, which prevents sample evaporation in long runs. Speed and temperature are digitally controlled.

Features

NAUGRA®
