Product name:	Product code:
Mechanical Overhead Stirrer with Digital Display 10 Litre	CMI-NP-0208

Description

A mechanical overhead stirrer for up to 10 litres with digital speed display, used for mixing solutions, suspensions and light slurries in research laboratories.

Technical specification

Power supply	230 V AC, 50 Hz

Standard Accessories

- Stirrer shaft
- Stand

The motor turns a stirrer shaft via a chuck at a speed set by a knob. It suits applications where a magnetic stirrer is not strong enough.

Features
