

Product name:
He Ne leaser Instrument

Product code:
CIVIL-OPT-113-0023

Description

He Ne leaser Instrument

Technical specification

The He Ne leaser Instrument is reasonable and fashionable design, characterized by stable and reliable performance, good mono-chromaticity and directivity, high brightness, long life, good adapted to electric network and widely applied in many fields.

Specifications

Wave length: 632.8nm

Output laser power: >2mW

Continuously working time: >8h

Contour dimension: (1×w×h) 380mm×90mm×100mm
