Product name:	Product code:
Electric Chain Hoist With Trolley	CMI-NP-0560

Description

Hoist with motorised trolley for travel along an I beam. Used in assembly bays for moving loads horizontally. Main ratings: capacity 1000 kg, lift 3 m, trolley speed 10 m/min.

Technical specification

Voltage	415 V AC
Control	Pendant
Weight approx.	85 kg

Standard Accessories

- Operating manual
- Set of basic tools

Electric Chain Hoist With Trolley is built for engineering colleges, polytechnics, ITIs and technical training workshops. Hoist with motorised trolley for travel along an I beam.
