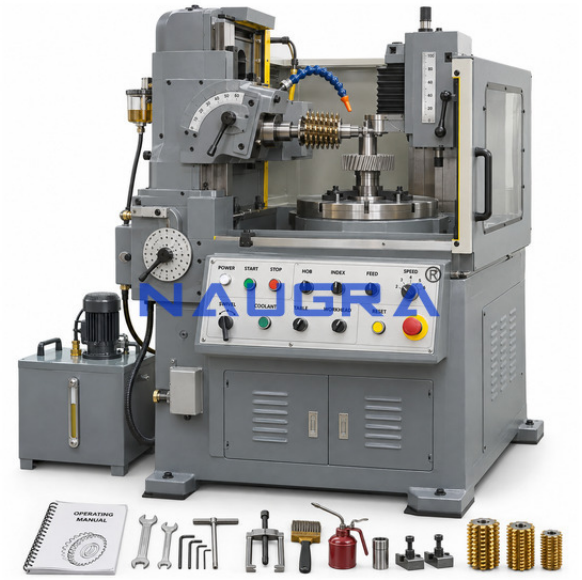
Product name:	Product code:
Semi Automatic Gear Hobbing Machine	CMI-NP-0573



Description

Gear hobber with automatic feed and stop mechanism for cutting batches of gears. Used to train students in set up and operation of production gear cutting.

Technical specification

Stroke	100 mm
Coolant	Pump with tank
Weight approx.	1000 kg

Standard Accessories

- Operating manual
- Set of basic tools

Semi Automatic Gear Hobbing Machine is built for engineering colleges, polytechnics, ITIs and technical training workshops. Gear hobber with automatic feed and stop mechanism for cutting batches of gears.

Features

NAUGRA®
