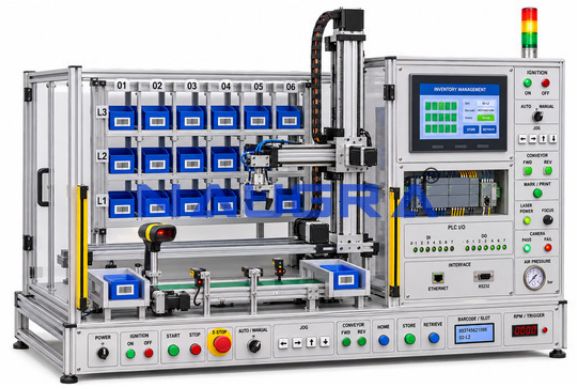
NAUGRA®

Product name:	Product code:
ASRS Trainer with Barcode Identification	CMI-NP-1000



Description

A storage and retrieval trainer with a barcode reader that identifies each item and assigns bin positions, used to teach inventory control and traceability.

Technical specification

Software	Inventory management
Interface	Ethernet or RS232
Control	PLC
Experiments	Identification and retrieval
Power supply	230 V AC, 50 Hz

Scanned barcodes link parts to locations in software. Students see how warehouse management systems and PLCs work together.
