Product name:	Product code:
Elevator Safety Circuit Demonstration Panel	CMI-NP-1111

Description

Panel demonstrating lift safety circuits such as door contacts, overspeed switch, final limits and emergency stop wired in series for training on safety chain operation.

Technical specification

Test points	4 mm sockets
Panel	600 x 400 x 120 mm

Standard Accessories

- Test leads
- Manual

Panel demonstrating lift safety circuits such as door contacts, overspeed switch, final limits and emergency stop wired in series for training on safety chain operation.

Features

NAUGRA®
