NAUGRA®

Product name:	Product code:
Shaft Coupling Alignment Training Platform	CMI-NP-1195

Description

Platform with two machine shafts and adjustable bases where trainees align couplings using dial gauges and straight edges to learn precision alignment. Key highlights include adjustable motor and driven shaft and dial gauge alignment kit.

Technical specification

Shims	Stainless set
Base	1000 x 600 mm

Standard Accessories

- Dial gauge set
- Manual

Platform with two machine shafts and adjustable bases where trainees align couplings using dial gauges and straight edges to learn precision alignment. Key highlights include adjustable motor and driven shaft and dial gauge alignment kit.

- Adjustable motor and driven shaft
- Dial gauge alignment kit
- Rigid and flexible couplings
- Shim set
- Laser alignment option

Technical Specifications

Supply	230 V AC, 50 Hz, single phase
Motor	0.75 kW
Shafts	25 mm diameter
Couplings	Jaw and rigid
Dial gauge	0.01 mm, 2 nos
