NAUGRA®

Product name:	Product code:
PCB Design and Layout Training Workstation	CMI-NP-1388

Description

PCB Design and Layout Training Workstation is a training workstation designed for learning schematic capture and PCB layout with CAD software.

Technical specification

Printer	A4 laser
Power Supply	230 V AC, 50 Hz

Standard Accessories

- Software licence
- Manual

The PCB Design and Layout Training Workstation is a training workstation built for learning schematic capture and PCB layout with CAD software.

Features

NAUGRA®
Civil Laboratory Equipment Manufacturers and Suppliers India Civil Lab Exportrs India
Email us at: export@civilmechanicalindia.com

- Computer with EDA software
- Printer interface
- Training manual
- Includes sample designs
- Single and double layer boards

Technical Specifications

Software	schematic and PCB EDA
Layers	2 layer
Computer	i5, 8 GB RAM, 21 inch
Output	Gerber
Library	standard footprints
