Product name:	Product code:
Compact PLC Training Panel with HMI	CMI-NP-1396

Description

PLC Compatible PLC Training Panel with HMI is a PLC trainer designed for programming ladder logic and interfacing a PLC with an HMI and field simulators.

Technical specification

Communication	Ethernet and RS485
Power Supply	230 V AC, 50 Hz

Standard Accessories

- Programming cable
- Software
- Manual

The PLC Compatible PLC Training Panel with HMI is a PLC trainer built for programming ladder logic and interfacing a PLC with an HMI and field simulators.

Features
