Product name:	Product code:
Tray Type Industrial Drying Oven 12 Trays	CMI-NP-0049

Description

A trolley based tray drying oven with 12 perforated trays for drying powders, granules, food products and chemicals in production and pilot plant laboratories.

Technical specification

Power supply	415 V AC, 3 phase, 50 Hz

Standard Accessories

- Trays (12 nos.)
- Trolley

Hot air flows across each tray from a blower and heater system, and moist air leaves through a vent. The oven suits small batch drying in pharma, food and chemical industries.
