NAUGRA®

Product name:	Product code:
Laser Shaft Alignment Training Device	CMI-NP-1898

Description

Laser Shaft Alignment Training Device is a portable laser alignment system with a coupled shaft rig.

Technical specification

- Dial gauges
- Spanner set
- Shims set

The Laser Shaft Alignment Training Device is a portable laser alignment system with a coupled shaft rig. It is designed for practical training in shaft coupling, alignment, bearings and power transmission for mechanical maintenance.
