NAUGRA®

Product name:	Product code:
PLC Training Set with Analogue Input Output Module	CMI-NP-1953

Description

PLC Training Set with Analogue Input Output Module is a PLC trainer with analogue modules and signal generators.

Technical specification

- Programming cable
- Patch cords
- Manual

The PLC Training Set with Analogue Input Output Module is a PLC trainer with analogue modules and signal generators. It is designed for learning PLC fundamentals, ladder logic, wiring and simple automation projects.

Features

NAUGRA®
Civil Laboratory Equipment Manufacturers and Suppliers India Civil Lab Exportrs India
