NAUGRA®

Product name:	Product code:
Simple Pendulum Apparatus	CMI-NP-0304

Description

A pendulum with adjustable length, bob and stopwatch for finding the acceleration due to gravity. Used in physics and mechanics labs. Features include adjustable length, metal bobs and split cork clamp.

Technical specification

Protractor	Angle disc
Base	Cast iron
Timer	Stopwatch

Standard Accessories

- Bobs
- Stopwatch

Students time oscillations for different lengths and plot a graph of period squared against length. Key specifications include length of Up to 1 m and bob of Brass 25 mm.
