Product name:	Product code:
Drafting Machine With Drawing Board	CMI-NP-0315

Description

A drawing board with a scale head mounted on a track for drawing precise parallel and angled lines. Used in engineering graphics. Features include parallel motion head, adjustable angle scale and wooden drawing board.

Technical specification

Weight	Approx. 8 kg
Use	Engineering drawing

Standard Accessories

- Drawing board
- Clips

The head slides across the board, keeps lines parallel and rotates to set angles. It replaces a T square and set squares.
