NAUGRA®

Product name:	Product code:
Reversible Drum Concrete Mixer 10 7 cft	CMI-NP-0346

Description

A reversing drum mixer that mixes in one direction and discharges in the other, for ready use on mid sized sites. Used for regular concrete work.

Technical specification

Blades	Internal spiral
Frame	Heavy MS
Supply	415 V AC 3 phase 50 Hz

Standard Accessories

- Gear oil
- Wheel set

The drum turns clockwise for mixing and counterclockwise for discharge, so no tilting is needed. This gives a fast discharge.
