Product name:	Product code:
Concrete Mixer Machine	Cement0015

Description

Concrete Mixer Machine

Technical specification

Operation on 220V, Single Phase, 50Hz, AC Supply

Concrete Mixer Machine from Civil Mechanical Laboratory India

- The machine is motorized system, Concrete Mixer Machine for Civil Engineering from Laboratory Equipment Manufacturers India - effective & good closing to clean & less dust for easy maintenance.
- The essential facility is mixing of fresh concrete for laboratory test samples are through & consistent. Must be easy
- To operate by front pedal
