Product name:	Product code:
Viscometer, Rotational, Digital Plus	NUGBLY0117

Description

Viscometer, Rotational, Digital Plus

Technical specification

Viscometer with Temperature Probe; 20 to 6,000,000 cP Complies with ISO 9001, 2008 Certificate
High performance viscometer Illuminated liquid crystal display shows: Selected speed rpm
Selected spindle SP Viscosity reading cP (mPa.S) Percentage of full scale % Viscosity accuracy ±1%
Viscosity range 20 to 6,000,000 cP
Viscosity repeatability ±0.2%
rpm 0.01 to 200
Spindle/speed combinations 54 Temp range 32 to 212°F (0 to 100°C)
