Product name:	Product code:
Gel Dryer	NUGBLY0120

Description

Gel Dryer

Technical specification

Drying Area (mm) L210xW310 L350xW450
Display Two of 4 digital LED
Control Digital Microprocessor controller Temperature Control Range ambient to 90°C Temperature Increment 0.1°C
Temperature Uniformity at 37°C ±0.2°C Temperature Calibration Yes
Timer 0~999 mins
Operating Temperature ambient to 40°C
Weight approx. 9.0kg
