NAUGRA®

Product name:	Product code:
Concrete Mixer Without Hopper With Diesel Engine	CMI-NP-0451

Description

Open drum concrete mixer driven by a diesel engine for locations without a power connection. Used for construction practice and rural technical training where mains supply is unreliable.

Technical specification

Tilting	Hand wheel
Fuel tank	3 L
Weight approx.	420 kg

Standard Accessories

- Operating manual
- Set of basic tools

Concrete Mixer Without Hopper With Diesel Engine is built for engineering colleges, polytechnics, ITIs and technical training workshops. Open drum concrete mixer driven by a diesel engine for locations without a power connection.
