NAUGRA®

Product name:	Product code:
Turret Lathe Machine For Training	CMI-NP-0460

Description

Horizontal turret lathe with a hexagonal tool turret for repetitive turning and boring operations on bar and chucking work. Used in workshops to teach production machining and tool layout.

Technical specification

Motor	3 HP, 415 V AC, 50 Hz
Bed length	1700 mm
Weight approx.	900 kg

Standard Accessories

- Operating manual
- Set of basic tools

Turret Lathe Machine For Training is built for engineering colleges, polytechnics, ITIs and technical training workshops. Horizontal turret lathe with a hexagonal tool turret for repetitive turning and boring operations on bar and chucking work.

Features
