Product name:	Product code:
Bench Type Drilling Cum Milling Machine	CMI-NP-0536

Description

Small bench drill mill with a cross slide table to perform drilling and light milling. Used in workshops for simple machining tasks. Main ratings: drill capacity 16 mm, milling capacity 20 mm end mill, motor 1 HP, 230 V AC.

Technical specification

Spindle taper	MT2
Travel X	250 mm
Weight approx.	95 kg

Standard Accessories

- Operating manual
- Set of basic tools

Bench Type Drilling Cum Milling Machine is built for engineering colleges, polytechnics, ITIs and technical training workshops. Small bench drill mill with a cross slide table to perform drilling and light milling.
