NAUGRA®

Product name:	Product code:
Hydraulic Press Brake 40 Tonne	CMI-NP-0627

Description

Hydraulic press brake that bends sheet metal using a punch and vee die. Used in sheet metal workshops to teach bending to angle and radius.

Technical specification

Back gauge	Manual
Dies	Set
Weight approx.	1200 kg

Standard Accessories

- Operating manual
- Set of basic tools

Hydraulic Press Brake 40 Tonne is built for engineering colleges, polytechnics, ITIs and technical training workshops. Hydraulic press brake that bends sheet metal using a punch and vee die.

Features
