Product name:	Product code:
Mini Inverter ARC Welder	CMI-NP-0682

Description

Mini Inverter ARC Welder is a mini inverter based stick welding machine with very light weight, designed for portable MMA welding at training benches and maintenance sites.

Technical specification

Cooling	Fan

The Mini Inverter ARC Welder is a mini inverter based stick welding machine with very light weight. It is built for portable MMA welding at training benches and maintenance sites.

Features

NAUGRA®
Civil Laboratory Equipment Manufacturers and Suppliers India Civil Lab Exportrs India

- IGBT inverter technology
- Hot start and anti-stick
- LED current display
- Portable shoulder strap

Technical Specifications

Input	230 V AC, 50 Hz
Current	20 to 160 A
Electrode	1.6 to 4.0 mm
Efficiency	85 percent
Weight	approx. 3.5 kg
Protection	IP21
