Product name:	Product code:
Motorised Mechanical Shearing Machine	CMI-NP-0702

Description

Motorised Mechanical Shearing Machine is a motor driven mechanical guillotine shear, designed for cutting sheets up to 3 mm in thickness. Key features include flywheel and clutch and hold down beam.

Technical specification

Weight	approx. 900 kg

The Motorised Mechanical Shearing Machine is a motor driven mechanical guillotine shear. It is built for cutting sheets up to 3 mm in thickness.

Features

- Flywheel and clutch
- Hold down beam
- Back gauge
- Safety guard

Technical Specifications

Cutting length	1250 mm
Mild steel capacity	3 mm
Motor	2.2 kW
Input	415 V AC, 3 phase, 50 Hz
Strokes	30 per min
Blade	High carbon steel
