Product name:	Product code:
Universal Milling Machine with Swivel Table	CMI-NP-0901

Description

A universal knee type milling machine with a table that swivels up to 45 degrees either side, used for milling gears, helical cuts, slots and flat surfaces in workshops and training institutes.

Technical specification

Spindle taper	ISO 40
Spindle speeds	40 to 1500 rpm, 12 steps
Table feeds	20 to 800 mm/min
Main motor	5 HP, 415 V AC 3 phase
Table swivel	+/- 45 degrees

Standard Accessories

- Arbor set
- Draw bar
- Spanner set

This machine combines a horizontal spindle with a swivelling table for helical and angular milling. The all geared head gives dependable power and a wide speed range for steel and cast iron.

Features

- All geared drive with hardened gears
- Table swivels +/- 45 degrees
- Power feed in all three axes
- Rapid traverse for table
- Central lubrication system
- Interlocked guards and emergency stop

Technical Specifications

Table size	1250 x 280 mm
Longitudinal travel	700 mm
Cross travel	255 mm
Vertical travel	400 mm
