NAUGRA®

Product name:	Product code:
Compact CNC Vertical Machining Center 500 mm	CMI-NP-0910

Description

A compact CNC vertical machining center with 500 mm X travel suited to small workshops and classrooms, used for training and machining of small parts.

Technical specification

Spindle taper	BT30
Tool magazine	12 tools
Rapid traverse	20 m/min
Power supply	415 V AC 3 phase

Standard Accessories

- Coolant system
- Tool holder set

The smaller footprint makes it ideal for labs with limited space while keeping an automatic tool changer and fully enclosed guarding for safe teaching.

Features
