NAUGRA®

Product name:	Product code:
Four Axis CNC Vertical Machining Center	CMI-NP-0911

Description

A vertical machining center with a fourth axis rotary table for machining cams, gears and multi sided parts in a single set up, used in advanced CNC training and production.

Technical specification

Spindle motor	7.5 kW
Tool magazine	24 tools
Rapid traverse	24 m/min
Control	4 axis CNC

Standard Accessories

- Rotary table
- Coolant system

The additional rotary axis lets the table index or turn continuously during cutting, allowing students to learn 4 axis programming including cylindrical profiles.

Features

- Integrated 4th axis rotary table
- BT40 spindle 8000 rpm
- 24 tool changer
- Linear guideways on all axes
- Enclosed machining area
- 4 axis simultaneous control

Technical Specifications

X / Y / Z travel	760 / 420 / 500 mm
Table size	850 x 420 mm
Rotary table	250 mm dia, servo driven
Spindle speed	up to 8000 rpm
