Product name:	Product code:
Heavy Duty Box Way CNC Vertical Machining Center	CMI-NP-0912

Description

A box way CNC vertical machining center with heavy casting and hardened guideways for heavy cutting of steel and cast iron, used in production and tool room machining.

Technical specification

Spindle motor	11 kW
Spindle taper	BT40
Tool magazine	24 tools
Rapid traverse	15 m/min

Standard Accessories

- Coolant system
- Tool holder set

Hand scraped box ways give high damping and stiffness. This makes the machine suitable for roughing steel parts and mould bases with deep cuts.

Features

NAUGRA®
