Product name:	Product code:
Automatic Climate Control Automobile AC Training System	CMI-NP-1244

Description

System showing automatic climate control with temperature sensors, ECU, blend door actuator and blower speed control for training in modern car AC. Key highlights include cabin and ambient temperature sensors and eCU with display.

Technical specification

Display	LCD
Dimensions	1000 x 600 x 1200 mm

Standard Accessories

- Scan tool
- Manual

System showing automatic climate control with temperature sensors, ECU, blend door actuator and blower speed control for training in modern car AC. Key highlights include cabin and ambient temperature sensors and eCU with display.

Features

- Cabin and ambient temperature sensors
- ECU with display
- Blend door actuator
- Blower speed control
- Diagnostic socket

Technical Specifications

Supply	12 V DC
ECU	Automatic climate
Sensors	4 NTC
Actuators	2 servo
Blower	4 speed
