Product name:	Product code:
PCB Drilling Machine for Training	CMI-NP-1401

Description

PCB Drilling Machine for Training is a drilling machine designed for drilling accurate holes in printed circuit boards for through-hole components.

Technical specification

Table	200 x 150 mm
Power Supply	230 V AC, 50 Hz

Standard Accessories

- Drill bit set
- Manual

The PCB Drilling Machine for Training is a drilling machine built for drilling accurate holes in printed circuit boards for through-hole components.

Features

NAUGRA®
Civil Laboratory Equipment Manufacturers and Suppliers India Civil Lab Exportrs India

- High-speed spindle
- Adjustable depth stop
- LED work light
- Foot pedal option
- Collet for micro drills

Technical Specifications

Drill Range	0.3 to 3.2 mm
Speed	20000 rpm
Spindle	collet type
Stroke	40 mm
Motor	150 W
