Product name:	Product code:
KNX Building Bus Training System	CMI-NP-1412

Description

KNX Building Bus Training System is a training system designed for configuring bus based lighting, blinds and heating in smart buildings.

Technical specification

Interface	USB
Supply	230 V AC, 50 Hz

Standard Accessories

- Interface cable
- Software
- Manual

The KNX Building Bus Training System is a training system built for configuring bus based lighting, blinds and heating in smart buildings.

Features

NAUGRA®
Civil Laboratory Equipment Manufacturers and Suppliers India Civil Lab Exportrs India
Email us at: export@civilmechanicalindia.com

- Bus power supply and actuators
- Binary inputs and dimmers
- Programming software
- Demonstration loads
- Wall panel

Technical Specifications

Bus Voltage	29 V DC
Actuators	switch, dimmer, blind
Inputs	8 binary
Sensors	temperature, brightness
Software	engineering tool
