Product name:	Product code:
Bosch Auto Level	SUR-0017

Description

Bosch Auto Level

Technical specification

- Large aperture 26x-power lens - allows more light for a sharper image and excellent magnification
- Self-leveling compensator with transport lock - protects pendulum in carrying case against damage and loss of calibration
- Both horizontal/vertical crosshairs and stadia lines - measures level, alignment and estimates distance
- Magnetic dampening system - quickly settles the system and reduces the effects of job site vibration
- Large Aperture - Allows more light for a sharper image
- 26x-Power Lens for excellent magnification
- Circular Bubble Vial with 90-Degree Mirror for easy and fast set-up
