Product name:	Product code:
Pitot Tube Demonstrator	Fluid00002

Description

Pitot Tube Demonstrator

Technical specification

Pitot Tube Demonstrator Pitot Tube Demonstrator

Specification:

- Pitot tube with scale to determine the position within the pipe diameter
- Includes pressurised water manometer with scale length 500mm
- Approximate dimensions 1.0m x 0.55m x 0.23m
- Set of connecting tubes

Technical Description:

- The Pitot Tube can be moved across the cross-section of the pipe so as to measure the dynamic head profile. The position of the measuring tip relative to the wall of the pipe can be read on a scale. The Pitot Tube is connected to a pressurized water manometer to measure the differential head across the Pitot tube
