NAUGRA®

Product name:	Product code:
Hydraulic Power Generator Training Kit	EEH0011

Description

Hydraulic Power Generator Training Kit

Technical specification

Technical file:

- Documentation and setting in industrial situation,
- General Drawing, nomenclature.

Experiment files:

- Lecturer file,
- Work station file,
- Student file (texts of practical work, answers documents and course).

CD ROM:

- Technical and educational file in Word format
- General drawing achieved with DMT software. Supply of the files in DMT10 version or DXF format (Compatible AUTOCAD),
- Drawings of the pieces achieved with the 3D CAD Solid Works and Inventor.

Dimensions and weight

- 560 x 410 x 175 mm – 18 kg.

Hydraulic Power Generator Training Kit Manufacturer

This kit, presented in a storage suitcase, contains:
