Product name:	Product code:
Water Bath Serological	ANL-WTH-0003

Description

Water Bath Serological

Technical specification

Stainless Steel Bath for superior Durability & High Thermal efficiency.

Flat Stainless Steel Lid prevents evaporation and keeps constant temperature.

Industrial grade energy efficient heaters reduces power bills drastically.

Double walled construction.

Water Bath High Precision Ideal for Biotechnology, Clinical, Environmental, Medical, Petroleum, Pharmaceutical or Industrial Applications.

Offers highest level of performance, flexibility and control for most demanding applications.

Microprocessor based PID Digital Temperature Indicator-cum-Controller maintains maximum temperature accuracy.

User's Self-compensation function to control difference between real temperature and indicated temperature.
