Product name:	Product code:
Fluormeters and Accessories	NEECHL0273

Description

Fluormeters and Accessories

Technical specification

Fluor meters, 62 series
Complies with ISO 9001, 2008 Certificate Excellent sensitivity
High intensity xenon light source Full interfacing capability Wavelength ranges: 190mn-1100mm,
light source: 75W high intensity Xenon, detector: photodiode,
sensitivity: better than 1 µg/l-1 quinine sulphate in 0.1M H2S04, display: 3.5digit, 20mm LED, outputs: power: 100/115/200/230Va.c. +10% 50/60
Hz, dimensions: 365 x 272 x 160mm
