

Product name:
Digital Heating Mantle With Stirrer

Product code:
CIVIL-HML-140-0002

Description

Digital Heating Mantle With Stirrer

Technical specification

Capacity:

250ml, 500ml, 1000ml, 2000ml, 3000ml, 5000ml

Accurate step-less speed control allows smooth variation up to 1200 rpm.

The temperature of heating element can go upto 350°C
