

Product Name :
Compression Testing Machine

Product Code :
CTE-0001

Description :

Compression Testing Machine

Technical Specification :

CE certified Fully Automatic Compression Testing Machine with all distance platens for 150 mm cube/100 mm cube 150 x 300 mm cylinders, software. The automatic range of 3000 kn capacity compression testing machines has been designed to meet the need for reliable and consistent testing of concrete samples
