

Product Name :
DCP - Dynamic cone penetrometer

Product Code :
TSE-0010

Description :

DCP - Dynamic cone penetrometer

Technical Specification :

Dynamic cone penetrometer provide quick field determinations of soil shear strengths at depths up to 6ft (1.8m), with optional extensions. This accurate and portable field equipment measures soil properties that can be related to CBR or Resilient Modulus laboratory values. Original design by United States Army Corps of Engineers
