

Product Name :
Horizontal Deep Freezer

Product Code :
ANL-DEP-0001

Description :

Horizontal Deep Freezer

Technical Specification :

Compact design with large storage capacity

Outer casing is galvanized steel with baked on paint finish for durability

Robust construction and elegant looks

Inner liner is Stainless Steel/Pre coated GI

Higher Capacity System for fast pulls down

High density, environment friendly, polyurethane foam for better insulation

High-pressure injection machine used for efficient insulation

R-134 a refrigerant, chlorine free, environment friendly

Carrier/Kirloskar/Tecumseh compressor

Built in voltage stabilizer with time delay relay

Energy saver compressor-low energy consumption

Longer thaw out time to take care of prolonged periods of failure

60mm thick insulation

Temperature range (ambient to -22°C / -40°C)

Temperature controlled through solid-state digital temperature controller cum indicator
