

Product Name :
Quantab Chloride Titrator Type

Product Code :
ATE-0029

Description :

Quantab Chloride Titrator Type

Technical Specification :

Quantab Chloride Titrator Type: The Quantab Chloride Titrators are used for quick determination of chloride content of fine aggregates. The determination is based on the reaction of the silver dichromate strip with the chloride in the sample solution, and the proportional content of chloride in the sample is indicated by the calibration chart
