

Product Name :
Refrigeration System Model

Product Code :
RLE-0006

Description :

Refrigeration System Model

Technical Specification :

Refrigeration System Model. The offered model is manufactured employing high-end technology and well-tested raw material in adherence to industry defined guidelines. Apart from this, the entire range is rigorously tested under the strict inspection of our quality controllers. This model can be availed from us in various specifications at market leading prices.

Features:

- Rugged design
- Smooth functioning
- Reliable operation

Model For Refrigeration & Air conditioning System:

- MS Powder Coated Base stand.
- Hermetically Sealed Compressor (Make: Emerson or Equivalent)
- Condenser.
- Expansion valve
- Evaporator.
- Filter dryer.
- Capillary.
